Drug-Free Heroes

AWARDS GALA

PRESENTED BY THE FOUNDATION FOR A DRUG-FREE WORLD

What is the Drug Free Heroes Award?

Every Spring, the Foundation for a Drug Free World of The Americas holds its annual Drug Free Heroes Awards Gala. Held in honor of the United Nations Office on Drugs and Crime International Day Against Drug Abuse, the chapter honors local officials and community leaders who have largely contributed to drug education and awareness.

Who Are Some of Our Guests?

Guests include government officials, educators, international non-profit executives, after-school directors, and community leaders from religious organizations, community centers, and government offices.

How Can You Be Involved?

You can become a sponsor! Sponsors receive many benefits and we are also open to additional ideas on how sponsoring works best for your company.

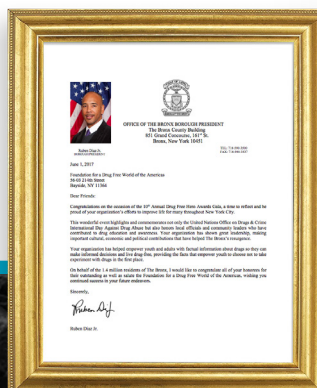

Who We Are

The Foundation for a Drug-Free World is a nonprofit public benefit corporation that empowers youth and adults with factual information about drugs so they can make informed decisions and live drug-free.

No one, especially a young person, likes to be lectured about what he or she can or cannot do. Thus, we provide the facts that empower youth to choose not to take drugs in the first place. Additionally our Truth About Drugs campaign consists of activities that they can join which popularize drug-free living. These activities are simple, effective and can involve people of all ages.

Through a worldwide network of volunteers, 50 million of drug prevention booklets have been distributed, tens of thousands of drug awareness events have been held in some 180 countries and Truth About Drugs public service announcements have been aired on more than 500 television stations. These materials and activities have helped people around the world learn about the destructive side effects of drugs and thereby make the decision for themselves to not use them.

The Foundation provides information you need to start a Truth About Drugs education and prevention activity in your area.
